Stop Spam Cold

Spam Filtering

- Are you being weighed down with spam?
- Do you spend way too much time deleting unwanted emails?
- Do you read through hundreds of e-mails to find the two that you wanted?
- Are you afraid of viruses being sent to your computer through spam e-mails?
- Are you embarrassed when somebody reads your inbox over your shoulder?

- We will install software that virtually eliminates all of your spam!
- We will train you how to use this software to keep your computer spam free.
- As little as \$50 per computer!

What customers are saying...

- "It works!" – *Ansley Incorporated* (www.ansleyinc.net)
- "It's much easier to read my e-mail now." – *Dr. Steve Aeschliman* (www.periocentral.com)
