# New Computers

## Easy Computer Purchase

- from -  
Pentad Systems

Do you need a new computer? We are an authorized Dell reseller and have access to Dell special pricing. We can custom build a new computer for you that will often beat the prices that you could get elsewhere. On top of that we can bring it to you, set up your network, and any software that you may need.

-  Is your computer more than 3 years old?
-  Are you still using windows 2000 or older?
-  Would you like a computer that you can brag about?
-  Does your computer have problems running new programs?
-  Pentad can help!
-  We can custom build a new computer that will fit your personal or Business needs
-  We are an authorized Dell reseller and have access to Dell special pricing.
-  Very often we can beat the prices that you could get elsewhere.
-  We can deliver the computer to your residence or business and provide expert installation.
